Dear Sir:

Please send any promotional literature or book reviews dealing with the Kennedy assassination on your related publications.

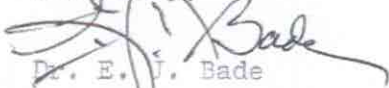

Also send complimentary/examination review copies of the following books to be considered for possible adoption as required texts by certain members of our department in a course entitled "Special Studies in Contemporary America," with an estimated enrollment of 50-75 students:

- #01-7 Whitewash: The Report on the Warren Report.
- #02-5 Whitewash II: The FBI-Secret Service Cover-up.
- #03- Photograph Whitewash: Suppressed Kennedy Assassination Pictures.
- #05-X Post-Mortem: The Suppressed Kennedy Autopsy.
- #? Agent Oswald [In Preparation?].

A separate decision will also be made by the library adoption committee.

I will be on sabbatical leave (but in regular contact with the college) and wish to consider these publications at this time. THEREFORE, ADDRESS ALL BOOKS AND CORRESPONDENCE AS SHOWN BELOW.

Sincerely,

Dr. E. J. Bade
